DON'T MISS OBERAMMERGAU PASSION PLAY 2020.

An opportunity that arises once every ten years is an opportunity not to be missed. A theatrical tradition since 1634, the world-famous Oberammergau *Passion Play* is a much-anticipated reenactment of the crucifixion of Christ—from His entry into Jerusalem to the Resurrection—performed only once a decade in the quaint Bavarian village of Oberammergau.

In 2020, two thousand actors, singers and musicians—all residents of this tiny hamlet 60 miles from Munich—will take the stage once again to enlighten, entertain, and move an audience that has traveled from afar to witness the glory.

This is your chance to be a part of this rich tradition, surrounded by majestic mountains and picturesque meadows, and to be a part of Oberammergau's unique history.

Devastated by the Black Plague in 1633, the frightened survivors of Oberammergau reenacted the crucifixion of Christ, vowing to God that if they were spared, they would perform the *Passion Play* every ten years. Their prayers were answered, and 2020 will mark the 42nd production of the play as well as the town's continued commitment to its grateful pledge.

Ranging from faith-based to fun-based, the Globus family of brands offers a variety of travel styles and vacations with visits to charming Oberammergau, including twelve Globus vacations and a Cosmos itinerary. On these special vacations, guests enjoy first-class seating at the *Passion Play,* accommodations in the heart of Oberammergau, and a dedicated onsite office to help guests make the most of their stay in this charming city.

THE OBERAMMERGAU PASSION PLAY 2020

ST. JOHN LATERAN BASILICA, ROME

DAY 1 ARRIVE IN ROME, ITALY. (Mon.)
Welcome to Rome! At 5 pm, meet your Tour Director, then enjoy this evening's welcome dinner at a local restaurant to celebrate the start of your spiritual journey through Italy. (D)

DAY 2 ROME. (Tue.)
Begin your discovery in Vatican City with a guided visit of the VATICAN MUSEUMS, a unique collection of religious and secular art that spans for centuries, with some of the finest examples of Renaissance paintings, including the SISTINE CHAPEL, world famous for Michelangelo's ceiling paintings and *The Last Judgment,* as well as for being the place where the conclave takes place for the election of the new popes. Continue the visit with monumental ST. PETER'S SQUARE where the Pope prays the *Angelus* every Sunday in front of thousands of believers and the BASILICA, not only an incredibly rich architectural and decorative wonder, but also the place where all Catholic popes are buried. Cross the Tiber River and dip into ancient Roman history. See the Colosseum, the largest amphitheater ever built, and the Roman Forum, site of military processions, elections, trials, and the overall center of Roman public life for centuries. (B)

DAY 3 ROME. (Wed.)
This morning, attend the PAPAL AUDIENCE (subject to availability) for the chance to see the Pope and receive the Papal Blessing. Later, visit ST. PAUL OUTSIDE THE WALLS, one of Rome's four major Papal basilicas built by Constantine on the grave of St. Paul, and explore the mysterious ancient CATACOMBS that run under the city. During the persecutions, the catacombs were used as places of refuge for the celebration of the Eucharist. Next, visit ST. JOHN LATERAN BASILICA and the HOLY STAIRS, brought from Jerusalem to Rome around 326 AD by St. Helena, mother of Constantine the Great. Officially, pilgrims may only ascend these 28 white marble steps on their knees. Then, visit the hallowed

halls of ST. MARY MAJOR BASILICA. Its beautiful treasures are of inestimable value, and represent the Church's role as the cradle of Christian artistic civilization in Rome. For nearly 16 centuries, St. Mary Major has held its position as a Marian shrine par excellence and has been a magnet for pilgrims from all over the world who come to the Eternal City to experience the beauty, grandeur, and holiness of the basilica. (B)

DAY 4 ROME–CASCIA–ASSISI. (Thu.)
Depart Rome today and head north into Umbria for a stop in Cascia to explore the life of St. Rita, known as the "Saint of the Impossible," as she went through many problems through the different stages of her life but always managed to get through thanks to her faith and prayer. Visit the BASILICA, see the tomb with the saint's incorrupt body, and attend Mass. Also, visit the lower basilica, home of the Eucharistic Miracle, which is commemorated each year with the Feast of Corpus Christi. Continue to hilltop Assisi, home of St. Francis and St. Clare. Here, visit ST. MARY OF THE ANGELS BASILICA, where St. Francis consecrated St. Clare as the "Bride of Christ," and the PORZIUNCOLA, where he founded the Franciscan Order of Friars Minor in 1209. (B,D)

DAY 5 ASSISI. (Fri.)
Attend Mass this morning, followed by a guided walking tour of Assisi. Visit the BASILICAS OF ST. FRANCIS and ST. CLARE, and see the crucifix that spoke to St. Francis. St. Francis abandoned a life of luxury for a life devoted to Christianity after hearing the voice of God who commanded him to rebuild the Christian church and live in poverty. He is the patron saint of animals and the environment. St. Claire was one of St. Francis' first followers and founded the Order of Poor Ladies, a monastic religious order for women in the Franciscan tradition. A short trip by minibus takes you to the CARCERI HERMITAGE, a peaceful oasis in the woods of Mount Subasio where St. Francis came to pray. Finally, visit the MONASTERY OF ST. DAMIAN, a Franciscan shrine built on the spot where St. Francis heard the voice of Christ, and where he wrote the *Canticle of the Creatures*. The convent founded by St. Clare is still intact, and is where she died in 1253. This afternoon, you may wish to join an optional excursion to magnificent medieval Spello. (B)

DAY 6 ASSISI–SIENA–FLORENCE. (Sat.)

DOMINIC, the SANCTUARY, and the HOUSE. Then, enjoy a walk through the ancient narrow lanes and visit beautiful PIAZZA DEL CAMPO. Afternoon arrival in Florence, "Cradle of the Renaissance." (B,D)

Also see sculpture-studded SIGNORIA SQUARE and famous SANTA CROCE SQUARE with its Franciscan basilica. (B)

DAY 8 FLORENCE–PADUA. (Mon.)
Travel through the Apennine Mountains to arrive in the flat Po area. In Padua, a guided visit of the BASILICA OF ST. ANTHONY shows you the tomb and reliquaries of this miracle-working saint and patron of lost and stolen articles. St. Anthony Is one of the Catholic Church's most popular saints. He was a powerful Franciscan preacher and teacher. He was born in Lisbon in 1195 and died just outside Padua in 1231, having led a short but very intense religious life. (B)

DAY 9 PADUA. EXCURSION TO VENICE. (Tue.)

DANUBE DREAMS WITH OBERAMMERGAU – WBDI

DAY 1 **Arrive in Budapest, Hungary (Embarkation).** Welcome to Budapest, Hungary's lively capital. This afternoon, board your river cruise vessel and meet your crew at an evening welcome reception. (D)
NOTE: Guests must be on board ship by 5 pm

DAY 2 **Budapest.** Spanning the banks of the Danube, Budapest is one of Eastern Europe's liveliest cities. Whether you're seeing the sights, shopping for handcrafted embroidery or Herend porcelain, or basking in the coffee house culture over a rich cream cake in the renowned Gerbeaud Café, Budapest's unique energy is positively palatable. Heroes' Square is one of the many sights you will see on your GUIDED TOUR of the city. Be sure to take note of the city's eight bridges—many famous sights in and of themselves—which connect ancient Buda on the right bank with Pest on the left. You may even want to walk across Chain Bridge, built in 1849 and a symbol of Budapest. During your free time this afternoon, perhaps visit St. Stephen's Basilica, with marvelous views of the city from its viewing platform, or stroll along Váci utca, the main shopping street. (B,L,D)

DAY 3 **Bratislava, Slovakia.** This morning, enjoy the beautiful scenery on both banks of the Danube. As you cruise upriver, Hungary is on your left and Slovakia is on your right. The two countries share the Danube for a 58-mile stretch, with the border in the middle of the river. At the foothills of the Carpathian Mountains is Bratislava, the dynamic capital of Slovakia, which you reach in mid-morning. Join a LOCAL GUIDE to explore its fascinating Old Town, where winding cobblestone streets and narrow alleyways twist and turn to reveal the Town Hall, one of the oldest stone buildings in the city; and gothic ST. MARTIN'S CATHEDRAL, coronation church for the Kingdom of Hungary from the 16th to 19th centuries. (B,L,D)

DAY 4 **Vienna.** Known as the "City of Music," Vienna inspired the creative genius of Mozart, Beethoven, and Strauss. Once the center of the mighty Habsburg Empire, Austria's magical capital on the blue Danube is a showcase of gilded architecture. Join us for a Guided Sightseeing Tour of Vienna, including the Kuntskammer's remarkable collection of more than 2,100 valuable objects, which were collected through the centuries by the emperors and archdukes of Habsburg. The afternoon is at leisure. Stroll through the pedestrian Kärntnerstrasse, and be sure to take a break and enjoy a piece of decadent Sachertorte or Apfelstrudel in a neighborhood café. An optional concert is available tonight. (B,L,D)

AIR ARRANGEMENTS

20. Airfare may be purchased through Globus for travel originating from the United States. All carriers are independent operators and are not owned, managed, or operated by Globus. Your airline ticket is a contract between you and the air carrier only, even if you purchase through Globus. By purchasing your air services through Globus, you waive all liability for Globus for such air services.

21. Globus is not responsible if an airline cancels, reschedules, or delays a flight for any reason. If you purchased air through Globus, we will try to assist in making new arrangements, provided you have not already checked in with your airline for your first flight segment. After check-in, you must work with the airline directly to reach your destination or to make any alternate arrangements, including amendments to return services. Airline fees often apply for modifications to air schedules not related to airline-imposed flight cancellations, reschedules, or delays. These fees will be payable to the airline directly at time of request.

22. If you miss your departure flight or connection, it is your responsibility to work with the airline on which you are ticketed to reach your destination. No refunds will be provided by Globus for portions of trips missed due to canceled, rescheduled, or delayed flights after airport check-in, nor is Globus responsible for any additional expenses you may incur prior to joining your trip if you miss your departure flight or flight connection.

23. For air purchased through Globus, if any air schedule requires an overnight stay in a gateway city, Globus can assist you with hotel reservations; however, the cost of the overnight stay (including, but not limited to, hotel and meals) is your expense. Air routings are subject to availability. Routings are not guaranteed and are subject to change at any time.

24. If you make your own flight arrangements, Globus will not be responsible for any loss resulting from cancellation or changes in international gateways, itineraries, or travel dates. We recommend that you do not purchase airline tickets with high penalty charges for changes.

AIR OPTIONS

25. Flex-Air and Instant Purchase Air: Flex-Air allows flexibility if you want to make changes to your vacation schedule; Instant Purchase Air may offer additional airline options, but has more restrictions. Some vacations may only offer one air option.

AIR-INCLUSIVE VACATIONS & FINAL PAYMENT

26. Additional deposits or payments are required for international air added to the start and/or end of your vacation and/or for intra-vacation air, as specified in the itinerary ("air-inclusive vacations"). AUTHORITY TO REMOVE OR REFUSE PASSENGERS

32. In the sole discretion of Globus, Globus may refuse transport to any passenger or may require any passenger to leave the tour if it is reasonably believed that the passenger (1) is dangerous to others or to himself or herself; (2) has engaged in, is engaged in, or is threatening to engage in, behavior that may adversely affect the safety, security, comfort, enjoyment, or well-being of other passengers or Globus representatives, including, but not limited to, behavior that is disruptive, verbally abusive, physically abusive, obnoxious, harassing, discriminatory, or obscene; or (3) has failed or refused, or is failing or refusing, to follow Globus' rules and procedures or the instructions of Globus or its representatives. In the event a passenger is removed, such passenger may be left at any city without any liability to Globus or its representatives. Globus shall not be required to refund any portion of the price paid by any passenger who is removed under the terms of this paragraph, nor shall Globus be responsible for expenses for lodging, medical care, meals, transportation, or any other expenses incurred by the passenger. Globus shall be entitled to recover from the passenger any costs or expenses incurred by Globus or its representatives in the removal of the passenger or the exercise or enforcement of this clause.

BAGGAGE ALLOWANCE & LIABILITY

33. Porterage at hotels for one suitcase per person is included in the vacation price (where available). Airport/train station porterage is not included, unless otherwise specified in your travel documents. Be prepared to carry your own suitcase on and off airplanes and trains and through airports and train stations. Regulations within most airports require travelers to handle their own luggage through Immigration & Customs.

34. Your single bag should have dimensions not exceeding 30"x21"x11" and weight not exceeding 50 lbs (22 kg). We regret that we are unable to accept a second suitcase or any luggage exceeding these limits on any Globus vacation. Some vacations have more restrictive regulations than those listed above. Refer to your Travel Documents for more information.

35. Air carrier restrictions may vary from the limitations listed above. Size and weight limitations for carry-on and checked baggage vary from airline to airline and even according to destination. While making an air-inclusive booking, you will be provided with baggage fee information. After booking an air-inclusive booking, up-to-date information on carrier-specific standard checked baggage allowance (including size and weight limitations), the standard allowance (and fee, if applicable) for carry-on baggage, and the standard fee for the first and second checked bag, along with the information about additional discounts that may apply depending on flyer-specific factors (e.g., frequent flyer status, military, credit card used for purchase, or early purchase over the Internet, etc.), can be found on the carrier's website or by accessing iflybags.com. Globus is not responsible for additional fees imposed by air carriers for baggage, and these fees are not included in the air-inclusive vacation price. You will be required to pay these fees directly to the airline at check-in.

36. No responsibility is accepted by Globus for loss of or damage to baggage or any of the traveler's belongings throughout the duration of the vacation. Travelers are strongly encouraged to not bring valuables such as jewelry and large amounts of cash. Any such valuables should not be left in baggage out of the control of the traveler. Baggage insurance is recommended. See the Globus website or back of this brochure for an all-inclusive Travel Protection plan.

37. Carry-on bags should not exceed the dimensions of 12"x11"x 6". For safety reasons, wheeled carry-on bags are not suitable as hand luggage on motorcoaches and mini-buses. Carry-on bags must be small enough to store in overhead bins or under the seat in front of you on motorcoaches and other transportation.

DATA PROTECTION

38. Some government agencies in foreign countries require Globus to collect and pass on in advance of travel certain personal and other details related to you, including, but not limited to, government-issued identification and passport details. If you fail to supply the details fully and accurately, as requested, your trip may be interrupted or canceled. There are no refunds for failure to provide documentation or failure to provide documentation by the time required.

39. We will use your personal data secured during your booking or during online check-in to process your booking with our suppliers. These details include your full name, address, date of birth, passport number and expiration date, occupation, credit/debit card information and any disability, medical conditions, or dietary restrictions disclosed to Globus for you and all in your traveling party.

40. It may be necessary to transfer these details to other countries or authorities whose data protection and privacy laws are less stringent than those of the United States of America. This may include requirements to pass details to our suppliers as well as certain governments or government-appointed bodies, or agencies in the interest of security or because we are obliged to by law. By making a booking with Globus, you agree to Globus storing, using, and passing on this data to other third parties for reasons as stated above and hold Globus not liable for the usage and protection of that data.

EMERGENCY CONTACT DETAILS

41. All passengers must provide emergency contact details and passport information (when required) prior to travel. This includes a "Local" contact so that Avalon Waterways can get in touch with friends or family in the rare case of an emergency as well as an "On Tour" contact, i.e. mobile phone number or email address, for use by the Tour or Cruise Director. Emergency contact details can be provided through your travel agent or in your My.Avalonwaterways.com account.

ENGLISH

42. All Tour Directors, Local Hosts®, Local Guides, and ships' crews speak English, and all vacation commentary and instructions are conducted in English only. For maximum enjoyment and understanding, you should be able to read, understand, and speak English.

EXCLUSION OF LIABILITY FOR CRUISE ITINERARY CHANGES, CANCELLATIONS & DOUBLE DOCKING

43. In the event of water level problems on stretches of any waterway, technical problems of any nature, severe weather, flooding, fire, drought, earthquake, explosion, peril of navigation, industrial action, civil unrest, war, government order or act, operational requirements, or any circumstances beyond the reasonable control of Globus, it may be necessary to operate part or all of the itinerary by substitute vessel or motorcoach and hotel accommodation. Globus reserves the right to change the itinerary whenever conditions, in the opinion of the Master of the Ship or local waterways regulations, render it advisable or necessary. In addition, river and other local authorities often need to carry out repair or maintenance work on the river or canal banks, stretches of river or canal, bridges, locks or docks, or other areas which may impede river cruise travel. This is frequently undertaken with little or no advance notice to river cruise operators, and can cause Globus to make changes to the published itinerary or to operate part of the itinerary by substitute vessel or motorcoach and hotel accommodation with little to no advance notice. These events are beyond our control, and Globus will not be responsible for any loss, expense, or inconvenience caused by reasons of such changes.

44. Docking positions at each port are assigned by local authorities, and river cruise companies have no control over where they can dock. This can sometimes result in double-docking, when more than one ship is assigned to the same dock and the ships are rafted together, temporarily obstructing the view. Globus will not be responsible for any inconvenience caused by reasons of such assignment.

45. Globus reserves the right to cancel, advance, or postpone any scheduled tour and/or sailing date and may, but is not obligated to, substitute another vessel, and shall not be liable for any loss whatsoever to tour/cruise participants by reason of any such cancellation, advancement, or postponement. In the event of cancellation by Globus, tour/cruise participants' only right of recourse shall be to a refund of monies paid to Globus in connection with such tour/cruise. In the event of charters of the vessels, strikes, lockouts, riots, or stoppage of labor for whatever cause or for any other reason whatsoever, Avalon may at any time cancel, advance, or postpone any scheduled sailing and may, but is not obliged to, substitute another vessel and shall not be liable for any loss whatsoever to tour/cruise participants by reason of any such cancellation, advancement, or postponement.

FORCE MAJEURE

46. Globus assumes no liability for any loss, damage, or entry of any nature in whole or in part resulting from an Act of God or any other force majeure condition, including, without limitation: fire, volcanic eruption, environmental pollution or contamination, inclement weather, earthquake, low or high water levels, flood, water or power shortages or failures, tropical storms or hurricanes, riots or civil commissions or disturbances, and any other acts of a similar nature, sabotage, arrests, strikes or labor disruptions, restraint of rulers or peoples, expropriations, acts of terrorism, war, insurrection, quarantine restrictions, government health advisories, or warnings or alerts of any kind of nature, government seizures, refusal or cancellation or suspension or delay of any government authority or any license, permit or authorization, damages to its facilities or the travel supplier and its facilities, or any other unforeseen circumstances or any other factors unforeseen by Globus that impacts negatively on, or hampers, its ability to fulfill any of its contractual conditions. In the event that any of these conditions apply, Globus shall be excused, discharged, and released from performance to the extent such performance is so limited or prevented, without liability of any kind.

FREQUENT FLYER & HOTEL REWARD PROGRAMS

47. Frequent Flyer mileage accrual is at the discretion of the airline(s), and is not always granted for airfare purchased through Globus. You will need to contact the airline(s) directly for information on Frequent Flyer programs and any applicable reward mile accrual. Globus cannot assist with this process. Cancellation penalties, as noted above, will apply to all airfare, regardless of accrual grants. Take this into consideration before purchasing airfare.

48. Hotel rewards/points cannot be earned or redeemed with hotels used by Globus.

GRATUITIES

49. Gratuities are included for services during the land stay of your vacation, unless otherwise noted above. This includes wait staff at included meals, hospitality staff at hotels for nights purchased through Globus, and porterage at hotels for one suitcase per person. Gratuities for your Tour Director, Local Hosts®, Local Guides, driver, and ship's crew are not included in the vacation price (unless otherwise noted in pricing details) and are discretionary.

HOLIDAYS & SPECIAL EVENTS

50. During local or national holidays or special events, peak seasons, on Sundays, and during religious occasions, certain facilities such as museums, churches, restaurants, sightseeing tours, hotels, and shopping may be limited or not available. Alternatives will be offered whenever possible. Globus cannot be held responsible for any closures, necessary itinerary changes, or curtails for any reason.

51. Christmas markets generally open in late November and close around the third week of December.

HOTELS, ACCOMMODATIONS & TRANSPORTATION

52. The hotels listed on the website or in the brochure are intended to be used on all departures; however, hotels are not guaranteed. Globus reserves the right to substitute other hotels than those listed on the itinerary pages. If a change becomes necessary for any reason, including alternate hotels for additional departures on the same date, or hotel location changes within or outside itinerary cities, the hotel substituted will be of equivalent quality to those shown. No refunds are provided for hotel changes; full cancellation penalties, as noted above, apply.

53. Globus contracts twin-bedded rooms. Double-bedded rooms may be requested but are never guaranteed. Triple rooms are the same size as twin-bedded rooms and are at the discretion of the hotel. Triple rooms will have beds to accommodate three people, but three separate beds cannot be guaranteed. The additional bed, if available, is often a roll-away bed put in for the night. If there are only two beds, a roll-away may be requested but cannot be guaranteed. If available, additional charges may apply for a roll-away and are payable by you directly to the hotel. Some hotels do not offer triple rooms. When a triple room is not available, hotels may provide one twin-bedded room and one single room.

54. Single supplements ensure your own room, not necessarily a twin- or double-bedded room. Single rooms in hotels are generally smaller in size and may be less conveniently located. On overnight ferries, single cabins may not be available or are limited and singles may be asked to share.

55. Accommodations outside the United States of America may not accommodate wheelchairs or be wheelchair accessible. The Americans with Disabilities Act is not applicable outside the United States of America. See the TRAVELERS WHO NEED SPECIAL ASSISTANCE ON TOUR AND/OR CRUISES clause that follows.

56. Room and bed preferences are not guaranteed.

57. Check-in times vary worldwide; Globus cannot control or guarantee check-in times.

58. Air-conditioning in hotels is not guaranteed and dependent upon local and national laws and regulations. Though hotels may have air-conditioning as a listed amenity, the usage of air-conditioning is often not available at night or in the off-seasons (October–May). Other restrictions may apply. Globus has no control over air-conditioning restrictions and regulations.

59. In the rare event included train or air services are unavailable, alternate services will be provided. Itinerary timings are approximate and are subject to change.

INSECTICIDE

60. Some countries may require aircraft cabin insecticide treatment for inbound foreign flights. For more information about aircraft disinfection requirements and a list of countries requiring disinfection of inbound flights, visit https://www.transportation.gov/airconsumer/spray .

MEDICAL & HEALTH

61. Globus does not employ medical personnel. Any medical attention you require while traveling with Globus must be sought through a local medical facility, if/when available, for diagnosis. All related charges are at your expense. Globus cannot guarantee the availability of medical facilities or for the quality of the care or services.

62. Globus reserves the right to remove or quarantine any passenger who shows signs of illness, or who poses a threat to the safety and health of other passengers. Removal or quarantine of passengers for any health, safety, or behavior-related assessment is at the sole discretion of Globus. Any costs incurred for medical assessments, diagnosis and/or any other medically-related charges are your responsibility to pay and are due at time of services. Passengers will be allowed to rejoin Globus with confirmed medical certification from a licensed health practitioner indicating fit to travel without causing harm or posing a safety threat to other passengers.

MOTORCOACHES

63. Globus follows a mandatory, daily seat rotation on motorcoaches. For the enjoyment of all passengers, you must adhere to the rules of the Tour Director regarding seat rotation. Alcohol consumption is not allowed on board Globus transportation.

64. Many local laws require the use of seatbelts while traveling. When seatbelts are provided, you are responsible for wearing your seatbelt. Globus is not liable, nor are our service providers, for any injury, loss, damages, claims, or death resulting from any accident or incident if you were not wearing your seatbelt at the time of the accident or incident when the motorcoach is equipped with them.

NOT INCLUDED IN THE LAND/CRUISE VACATION PRICE

65. The following charges are not included in the land/cruise vacation price, unless otherwise noted: airfare to and from the start of your vacation; intra-vacation air, unless specified in the itinerary; airline baggage fees, including checked and/or excess baggage fees; Federal inspection fees for U.S. Immigrations & Customs; International Air Transportation tax; agricultural tax; other per-person taxes imposed by government entities; airport taxes and fees, including the September 11th Security fee up to $11.20 per person, passenger facility charges up to $18 per person, Federal domestic flight segment fees up to $4.10 per segment, and U.S. and international arrival and departure and other government-imposed fees added by the airline and applicable at time of booking; port taxes; passports; visas; vaccinations; tips to your Tour Director, Cruise Director, Local Host, driver, Local Guides, and/or ship's crew; gratuities on ferries, trains, and cruise ships; laundry; telephone; minibar; alcohol, beverages, and food outside of the contracted Globus menu as presented at a hotel or restaurant or on board your vessel (these extra items will be billed to you before leaving the hotel, ship, or restaurant); airport transfers on non-qualifying flights; optional excursions; porterage at airports and train stations; Travel Protection; and all other items of a personal nature.

OPTIONAL EXCURSIONS

66. Optional excursions ("the Services") available for booking are provided by local operators or other third parties that are entirely independent of Globus and do not form any part of the product or services sold to you by Globus or of these Terms & Conditions, even where Globus suggests particular operators/other third parties and/or assists you in booking such optional shore excursions. Your contract for such Services will be with the organizer or operator of that Service, and will be subject to its Terms & Conditions, which may contain exclusions or limitations of liability. Globus has no liability for any such optional excursion or for any act(s) or omission(s) of the organizer or operator or for any of its employees or agents or any other person(s) connected with the optional excursion.

67. Any advice or assistance on or with any Service provided by any local representative does not mean or imply that the Service is sold, supervised, or controlled by Globus, or that any such advice or assistance is given on behalf of Globus. Vacation participants are asked to check with the operator of any optional excursion and the applicable Terms & Conditions before booking.

68. For operational reasons, not all optional excursions listed in the cruise itinerary, in print, online, or in travel documents may be available during your vacation. Your Tour Director will advise of availability while on the tour.

69. Optional excursions purchased online are subject to the Optional Excursions Term & Conditions, which can be found on the optional excursion booking site.

PHOTOGRAPHS & PICTURES

70. Photographs or pictures appearing in this brochure should be used solely as an indication of facilities and attractions. Actual facilities and attractions may vary according to itinerary. Maps shown on the vacation pages are current at the time of printing and may not reflect the actual routing should the itinerary change.

PRICE POLICY

71. All vacation prices are based on rates (reflecting foreign exchange rates) known at the time of publication and expected to be in effect at the time of departure, and do not include airfare, except where noted on specific itineraries. Vacation prices are per person, based on double occupancy (two people sharing a room). Single room supplements and triple reductions are listed where applicable. Not all accommodation types are available on all vacations.

72. Prices are subject to change without notice, subject to the guarantees set forth below.

73. Once Globus has received your full land deposit for any cruise vacation, that land price is guaranteed and you are protected against any base land price increase due to currency surcharge. Any subsequent land or cruise cost increases are at Globus' expense, not including energy cost increases and/or any government tax increases.

74. Pricing for air-inclusive vacations, including those with intra-vacation air, are guaranteed when Globus has received your full land plus air deposits and/or full air payment, as noted above. Globus reserves the right to ticket Flex-Air bookings, and vacations with intra-vacation air, upon receipt of full land and air deposits; thus, any subsequent revisions made at your request are subject to airline-imposed change fees, cancellation fees, and/or changes in airfare price, which are your responsibility to pay. Instant Purchase Air is ticketed upon receipt of full air payment; thus, full cancellation fees, as noted above, apply.

REFUNDS

75. Any request for refunds is subject to these Terms & Conditions; no refund will be made for unused services of less than 48 consecutive hours, for unused transportation where group activity tickets are involved, or for voluntary modifications made by the traveler. For Private Touring, changes made at your discretion en route to tour features or tour services (e.g. meals, included sightseeing, etc..) are not refundable nor exchangeable for other services. Airport transfers are complimentary with air booked through Globus on qualifying flights and dates. Not all flights or dates qualify. Customers not using the included transfer will not be given a cash equivalent or vacation price reduction.

REVISIONS & REVISION FEES

76. In addition to any airline-imposed change fees, a fee of $30 per person will be charged by Globus for any alteration or revision made to a reservation after deposit is received. Any revision to a booking, including, but not limited to, flight cancellations or name changes, may result in the loss of confirmed airline reservations or increased airfare, which will be payable by you. In many instances for Flex-Air purchases, airline revision or change fees are up to $300, but in some instances may be up to 100% of the ticket price. Instant Purchase Air and associated service fees are non-refundable and non-changeable after 24 hours from purchase; thus, alterations or revisions to a booking with Instant Purchase Air will require new air to be purchased, and is subject to full payment, as above.

77. Intra-vacation air and hotel penalties may also apply to alterations or revisions to a booking, and may be up to 100% of the full price.

78. A change of traveler name, vacation date, or itinerary within final payment will be treated as a full cancellation and new reservation; vacation and airfare cancellation fees, as above, apply.

SAFETY

79. Be aware that during your participation on vacations operated by Globus, certain risks and dangers may arise beyond our control, including, but not limited to: the hazards of traveling in undeveloped areas; travel by boat, train, automobile, aircraft, or other means of transportation; forces of nature; political unrest; acts of lawlessness or terrorism; and accident or illness in remote regions without means of rapid evacuation or medical facilities. Globus will not have liability regarding provision of medical care or the adequacy of any care that may be rendered. While Globus will use its best efforts to ensure that adequate measures are taken, by agreeing to participate in a vacation and/or optional excursions you agree that you will hold Globus harmless regarding any provision of medical care or the adequacy of any care rendered. Globus is not responsible for such risks and dangers that may arise beyond our control. Payment of your deposit indicates you accept these risks and dangers and agree to hold Globus harmless for such.

80. No weapons of any type are permitted on Globus vacations at any time. This includes, but is not limited to, firearms, knives, mace, brass knuckles, and other weapons of any type.

SERVICE INQUIRIES AFTER THE VACATION

81. As it is difficult and sometimes impossible to properly investigate a complaint if Globus is not advised of such complaint quickly, any compensation you may have been able to claim could be reduced or even forfeited if you do not follow the complaints procedure set out in this clause.

82. After returning from your vacation, if you wish to inquire about any services provided, ensure that all correspondence relating to those services is received by Globus, Traveler Services, Group Voyagers, Inc., (see address under "Responsibility"). Any complaint or claim involving the vacation services offered in the Globus brochure or on the Globus website, involving the negligence of any suppliers, sub-contractors, or agents in relation to any service provided to the vacation participant, must be notified to Globus while on vacation or within 30 days of the vacation completion, except where such time limitations are prohibited by law.

SMOKING & ILLEGAL DRUGS

83. Smoking is not allowed on transportation that is exclusively provided by Globus. On cruise ships, smoking is restricted to certain areas of the vessel. Smoking includes cigarettes, e-cigarettes, cigars, e-cigars, or any other smoking device.

84. Many hotels, restaurants, and other venues are smoke-free or have non-smoking regulations in public spaces. Smoking may be restricted to certain areas or not allowed. You are responsible to abide by all third-party smoking policies.

85. Hotels may impose a 100% non-smoking policy. If you require a smoking room, a request may be submitted, but we cannot guarantee availability.

86. Any carriage or possession of illegal drugs will result in immediate termination of the Globus vacation. You are responsible for knowing and observing the licensing laws for drug possession for all countries and states you are visiting. Repatriation is at your expense.

TOUR CANCELLATIONS

87. Globus reserves the right to cancel or reschedule any vacation departure for any reason, including insufficient demand or force majeure. f a vacation is canceled prior to departure, Globus' only responsibility will be to refund the amount received for the reservation. Globus will try to rebook the same vacation with a different departure date, or a similar vacation, but there is no guarantee of availability of offering. For air-inclusive vacations, Globus will try to confirm air schedules for the selected new dates, subject to availability. Globus cannot assume responsibility for any additional costs or any fees relating to the issuance and/or cancellation of air tickets or other travel arrangements not made through Globus.

TRANSFERS

88. Unless otherwise specified on your invoice, transfers arranged by Globus are provided by independent transportation companies and are group transfers operated by motorcoach and may have pre-set departures times. Globus is not responsible for flight delays, delays in immigration or customs, delays due to lost baggage, or for any reason beyond our control if you miss your transfer. Missed transfers are non-refundable.

TRAVEL DOCUMENTS

89. Passenger Travel Documents, including e-ticket itineraries, are available approximately 2–3 weeks prior to departure, provided full invoice payment, emergency contact details and government issues id information (when required) has been received. If available, additional service changes and/or shipping fees will be required for hard copy documents, documents requested early, early air ticketing, alternate delivery options (including delivery to multiple addresses), and for any delivery outside the continental United States. Expedited delivery charges are required for reservations made within 45 days of the commencement of services. Charges will be quoted at time of reservation and/or request.

TRAVELING WITH CHILDREN

90. Due to heightened security, many countries have adopted practices to prevent international abductions of children. If a child will be traveling with adults other than the parents or with only one parent, it is recommended that a notarized letter be written by the parents or non-traveling parent granting authorization to travel, including the dates of travel. We suggest that you also contact the appropriate consulate and airlines because they may have additional requirements or recommendations.

TRAVELERS WHO NEED SPECIAL ASSISTANCE ON TOUR AND/OR CRUISES

91. You must report to Globus any disability requiring special attention while on tour or on cruise at the time the reservation is made. Globus will make reasonable attempts to accommodate the special needs of disabled travelers, but is not responsible in the event it is unable to do so nor responsible for any denial of services by air carriers, hotels, restaurants, or other independent suppliers. Globus does not provide personal services (such as pushing a wheelchair, assisting with walking, etc.) and Globus does not provide individual assistance to a vacation participant for walking, dining, getting on and off coaches, cruise ships, and other vehicles, or other personal needs. A qualified and physically-able companion should accompany travelers who need such assistance.

92. If we are not notified at time of reservation of any disability requiring special attention, Globus reserves the right to cancel your booking or terminate your vacation if your special needs or disabilities are not suitable for the vacation, pose a threat to the health and safety of other participants or Globus staff, are incompatible with other travelers, or if you are not traveling with a companion who provides all the assistance you require. Globus will not refund or cover any costs or expenses incurred for cancellation, booking, or termination of the vacation. Cancellation penalties, as above, apply.

93. Not all sightseeing stops/sites accommodate wheelchairs, and some locations and sightseeing activities require extensive standing, sitting, or walking—sometimes on unpaved or cobblestone streets. Globus will not refund or cover any cost or expense incurred for any missed activities due to a participant's inability to fully participate with the group. The Americans with Disabilities Act is only applicable within the United States, and facilities for disabled individuals are limited outside its borders. Most transportation services, including the touring motorcoaches and cruise ships, are not equipped with wheelchair ramps. Although some of our ships have elevators, many small ships do not. Passengers requiring ship elevators should inquire before making reservations.

94. Motorized scooters and motorized wheelchairs are not suitable for international travel and are not permitted on Globus tours. Other than on domestic (USA) vacations, arrangements cannot be made to carry or use these on tour or cruise, and if you bring one, you will be asked to make alternate arrangements for transporting the scooter to your end destination at your expense. With prior permission and waivers, we will attempt to accommodate motorized scooters on domestic (USA) vacations, depending on the suitability of the itinerary.

95. Dietary requests and preferences must be provided to Globus at the time of booking. Generally, special dietary or meal requests cannot be processed and are subject to availability at the hotel or venue. There is no guarantee of availability, however, and there may be an additional charge associated with such request, which is payable by you at time of service.

TSA AIRLINE INFORMATION

96. Under the Secure Flight Program enacted by the U.S. Department of Homeland Security, the Transportation Security Administration (TSA) requires airlines to collect information from you for the purposes of Watch List matching. TSA may share information you provide with law enforcement or intelligence agencies or others under its published system of records notice. At time of booking a vacation with air reservations, Globus will collect the required information and add to your air booking to pass to the airline(s) for the Secure Flight Program. The information includes full name, date of birth, gender, and redress number (if available). Failure to provide the required TSA information at time of booking will result in the loss of confirmed flights and airfare price, as information is required for ticketing. Rebooking lost airfare is subject to schedule availability at time of rebooking and may result in alternate flight schedules and/or increases in airfare price. Any increase in airfare price is payable by you.

VACATION ACCEPTANCE

97. Acceptance on the vacation is subject to presentation of the Traveler Certificate, which will be available in your final Travel Documents.

VISAS & PASSPORTS

98. It is your responsibility to verify all visa and passport requirements necessary for your vacation. You are responsible for obtaining independently and paying for all visas and entry documents (outside of Cuba), for meeting all health and other requirements, and for any documents required by the laws, regulations, orders, and/or requirements of the countries you will visit. Globus cannot accept liability for any passenger refused entry onto any transport or into any country due to failure of the passenger to carry correct documentation or adhere to specific entry and exit requirements. All visa information listed on the website, in documents, or in the brochure is for U.S. citizens only. Non-U.S. citizens must consult with appropriate consulates to determine if any visas or other documents are needed.

99. You must have a passport to travel internationally. Most countries require that the passport be valid for at least six (6) months beyond the conclusion of your trip. It is recommended you have a minimum of three blank pages in your passport when traveling. Multiple-entry visas are required for some vacations. The process of obtaining a visa and/or passport can take up to three months or more.

WAIVERS

100. During the course of your cruise, tour, or excursion, you may encounter the opportunity to participate in additional, optional activities that are provided by independent third-party suppliers. The suppliers of those optional services may render those services subject to separate and additional terms and conditions, or may require you to execute additional documents, waivers, or releases. It is understood that any assumptions of liability, waivers, or releases that are part of the suppliers' terms and conditions or that are required by those independent suppliers will also inure to the benefit of Group Voyagers Inc. and Globus.

WI-FI

101. Wi-Fi connectivity on transportation provided by Globus (for tours where Wi-Fi is available on the motorcoach) is provided by an independent third party with separate Terms & Conditions of usage and acceptance thereof. These can be found online or will be made available upon request. Wi-Fi connectivity is not guaranteed, and is often disrupted, unavailable, and slower internationally than you are accustomed.

RESPONSIBILITY

102. Group Voyagers, Inc., located at 5301 South Federal Circle, Littleton, Colorado 80123, is an independent company ("the Company") licensed to market and distribute travel products under the Globus and Avalon Waterways brand names, and arrange for the vacation services offered on this website or in the brochure, including transportation, sightseeing, and accommodations through independent contracts.

103. Air carriers, accommodations, and other suppliers (including, but not limited to, trains, cruises, ferries, motorcoaches, hotels, and restaurants) providing services are independent contractors and are not agents, employees, servants, or joint venturers of the Company or its affiliates. From time-to-time, and for the purpose of identifying those independent third-party suppliers of services as the provider of a component or part of a Globus cruise, package or tour, some or all of those entities may utilize the name "Globus" on promotional media, signage, or attire. Although you may see the name "Globus" on vehicles, signs, apparel, or elsewhere during your cruise, tour, or excursion, its use by third-party suppliers is solely for the purpose of identification and does not represent or signify in any way ownership, management, supervision, or control by the Company of services that are provided by independent third party suppliers or of the employees, servants, or agents of the third-party suppliers. All certificates and other travel documents for services issued by the Company are subject to the Terms & Conditions specified by the supplier, which are available upon request, and to the laws of the countries in which the services are supplied.

104. The international carriage of passengers is subject to international conventions and treaties, where applicable. These international agreements limit and, in some events, exclude the carrier's liability to passengers (vacation participants). Where any claim or part of a claim (including those involving death or personal injury) concerns or involves any travel arrangements (including the process of getting on or off the transport concerned) provided by any air, sea, inland waterways, rail or road carrier, or any stay in a hotel, the Company's maximum liability is the maximum that would be payable by the carrier or the hotel keeper concerned under the applicable international convention, treaty, or regulation applicable to the travel arrangements or hotel stay (e.g., the Warsaw Convention, the Montréal Convention for international travel by air, the EU Regulation on Air Carrier Liability for air carriers with an operating license granted by an EU country, the Athens Convention for international travel by sea) in that situation.

105. After departure, if the Services included in the vacation cannot be supplied or there are changes in an itinerary for reasons beyond the control of the Company, depending on the circumstance, the Company will take reasonable action to arrange for the provision of comparable services. Any resulting additional expense will be the responsibility of vacation participants, and any resulting savings will be refunded by the Company to vacation participants.

106. The Company reserves the right to accept or reject any person as a vacation participant; to expel any participant from the vacation; to make changes in the itinerary whenever the Company deems it necessary for the comfort, convenience, or safety of the participants; and to cancel a vacation at any time.

107. The vacation participant agrees that neither the Company nor its affiliates shall be liable for any damage, loss (including personal injury, death, and property loss), or expense occasioned by any act or omission of any supplier providing services, any insurer or insurance administrator under the Travel Protection plan, or any other person.

108. Any dispute between the vacation participant and the Company, directly or indirectly relating to the Terms & Conditions and/or the vacation undertaken, shall be first submitted to mediation in Denver, Colorado, before a mediator mutually agreed to by the parties. If mediation is not successful, then the dispute shall be resolved by binding arbitration under Colorado law before the Judicial Arbiter Group or its successor located at 1601 Blake Street, Denver, Colorado 80202.

109. Arbitration against the Company or the vacation participant shall be invoked in writing under the laws of the State of Colorado within a period of 12 months following the date of completion of the vacation and not later. Neither of the parties nor any affiliate of the Company shall in any case be liable for other than compensatory damages, and they hereby waive any right to claim punitive damages. The Governing and substantive law for the Arbitration proceedings would be laws of the State of Colorado, USA. The prevailing party shall be entitled to an award of costs and reasonable attorneys' fees.

110. Any action to enforce the arbitrator's decision shall be brought only and exclusively in the state or federal courts in the State of Colorado, USA.

111. No person, other than an authorized representative of the Company by a document in writing, is authorized to vary, add, or waive any term or condition on its website or in its brochure, including any term or condition set forth in the preceding provisions.
